FROM THE PRESIDENT

Welcome to the 136th Wentworth Show. In 2022, we were absolutely thrilled by the support that we received from the surrounding community by welcoming the largest ever crowd of 10,000 people through the gates. Such a huge achievement for a small country town!

A massive thank you to the wider Sunraysia, Riverland and Broken Hill communities who came back

to the Show in 2022, after the two-year COVID-19 hiatus.

In October 2022, the Wentworth Show committee was honoured to be recognised by the NSW Government in State Parliament by being awarded a Community Recognition Statement, which was presented by Member for Murray, Helen Dalton MP. The award and recognition speak volumes of our hard-working committee and volunteers who give their time willingly to ensure that we present such a great event year after year.

Wentworth, known as “The Town on Two rivers”, was impacted at the end of 2022 and the beginning of 2023, by floods in both

the Darling and Murray Rivers. Parts of the Showgrounds were inundated by the water but thankfully the buildings were not flooded. The grounds have recovered extremely well since the water drained away, thanks to the diligence and hard work of the Parks and Gardens team at the Wentworth Shire Council. Thank you to the General Manager, Ken Ross, staff and Councillors for all that they do each year in ensuring the Showgrounds are in top condition for the Show.

A huge thank you to all the sponsors, new and old, who continue supporting the Wentworth Show each year; we could not produce a quality event without your backing.

As with all community groups, the Wentworth Show Committee struggles to have enough members to put on the Show each year. If anyone is interested in joining the committee or volunteering during the event, we would welcome your participation and assistance to keep this much-loved event going strong year after year.

I trust that everyone enjoys the 2023 Wentworth “True Country” Show.

Sholto Douglas
President 2023

LEIGH ADAMS – A LIFE IN PERSPECTIVE

Leigh Adams spent over twenty years racing at the top of international motorcycle speedway riding all over the planet achieving individual and team honours that saw him earn a reputation as one of the sport's greatest ever riders.

For a scrawny kid riding around the fruit blocks of Mildura on his modest dirt bike Adams built an elite dream career that

saw him travel the world competing in front of crowds in the tens of thousands.

The chant "Leigh, Leigh, Leigh Adams!" echoed around his Polish stadium in particular, sung by the majority of the 50,000 strong fans.

"I don't remember actually making a conscious decision to race professionally," Leigh recalls, "I was a kid racing down here at Olympic Park Speedway against my hero Phil Crump and that was all I thought about to begin with. That was enough at the time."

For the then sixteen-year-old the rest of the Speedway planet would soon come calling and initially in England Adams would begin forging a career as one of Australia's best.

"It all just began happening as a sequence," he explains, "I started off in England and then you start branching off into other parts of the world in Europe riding individually and for teams. Suddenly you look up and you've added a lot of incredible places that you raced. At the time it was just race race and race. You never gave it much more thought than that."

As the miles added up so did the distinctions however both internationally and at home.

"I always made a point of coming home to Australia and racing," he says, "many of the Aussies racing overseas were ready to come back home and take some time off the bike but I felt like I owed the people who helped me get there, whether that was family, sponsors, fans or even the grader driver. And the Mildura Motorcycle Club where it all began. I always looked forward to racing in Australia after my international season was finished each year."

That dedication to race 'at home' in Australia would see Leigh collect an unprecedented ten Australian Championship wins – a record to this day that will probably never be beaten.

Adams would always return to the cold weather in Europe each year however and build on his commitments and reputation.

He won eight "Speedway Grand Prix" rounds and was runner up in the World Championship in 2007.

His runner up place in the World Title takes pride of place over his ten Aussie titles.

"It's just a much harder challenge, racing in the World Championship over so many rounds, compared to the Aussie title battle. Don't get me wrong, I'm very proud of my record in Australian Championships but to be ranked number two in the world at the time in 2007 was something very hard to accomplish."

In a career spanning over two decades he would go on to ride in Italy, the UK, Sweden, Russia, Poland, Czech Republic, Latvia, Denmark, Slovenia, Croatia, Germany, Finland, Norway and France.

"Everything is so close on that side of the world. Neighbouring countries can be a car ride away or a short flight," he explains, "with the exception of some remote locations in Russia we rode in most countries are a car or short plane ride away. The list adds up when you look back on it though I guess. It's hard to get your head around that when you live in Australia because every country and even every State of our country is so far away."

He was a member of the 2001 and 2002 World Team Cup winning line-up, a World Under 21 Champion and won the prestigious Golden Helmet in Czech Republic 1999, 2000, 2001 and 2004.

His career in Poland in particular riding loyally for the giant Unia Leszno Club was a rock star life where he was celebrated like a God in many parts of the country.

At forty years of age he decided it was time to retire however and come home to Australia where he and wife Kylie and children Declyn and Casey could see some of their own country, slow down and do some sight-seeing.

It was also the chance for Leigh to tick off a bucket list and ride in the gruelling Finke Desert Race in the Northern Territory.

The Finke Desert race is an almost 500 kilometre race in some of Australia's most harsh landscape.

To even finish the race is something of an achievement.

In the past it was never possible for Leigh to contemplate racing in it because traditionally he was always racing in Europe in June.

History will show that life took a dramatic change in 2011 when Leigh crashed in practice and was tragically paralysed confining him to a wheelchair.

It was a powerful irony given how many years he had dreamed of competing in it.

Fans may argue that Leigh's greatest attributes were heralded on the Speedway track however it would be just as easy to argue that his strength in coming to terms with paralysis is much higher on the list.

"You just have to play the cards you've been dealt really," Leigh explains, "you just have to get on with it don't you. History will show that some of the greatest times of my life have happened during my life in a wheelchair. There's no use looking at it any other way."

The Finke accident changed his entire life, and also seemingly took off the table another bucket list item.

Leigh had always harboured a dream of racing a nine hundred horsepower Sprintcar.

He'd always been a fan.

"I'd wanted to drive a Sprintcar since the first time I saw them," he says, "their power and speed is just insane. The timing for me in Australia had never worked out to drive one and now being paralysed (with no real mobility in his legs) meant the idea of doing that was nearly impossible."

A family in Bendigo Victoria Australia had other ideas though.

Ten years after Leigh's crash at Finke father and son team Darren and Rusty Hickman reconfigured Rusty's Sprintcar with hand controls to allow Leigh to finally take the wheel and do some laps around his local Timmis Speedway in Mildura.

"I can't tell you how much that experience means to me to this day," Leigh smiles, "to finally achieve that dream. It was something I never believed would be possible. The Hickman family took the 'dis' out of disability. They just made it happen. I'll never be able to repay them for the life experience they provided."

It was decided, only days out before the drive, to document the experience on film.

Mildura bred Bendigo based Daniel Dea was brought to co-shoot and produce a documentary from scratch.

"Leigh Adams Driven to Drive" is an emotional movie that covers his Speedway career, his accident and subsequent rehabilitation, and him finally taking the wheel of a Sprintcar on the ten year anniversary of the Finke crash.

"Looking back on it I'm so glad we filmed the Sprintcar drive," Leigh says, "the footage is there forever now and I'm really proud of how it came together."

The film has been shown at two premieres – one in Coomealla in front of 200 plus of his friends and family and one in Warrnambool – and is now airing on Fox Sports in Australia.

It is currently available through the Methanol Moonshine website also.

Fans and critics throughout the world have embraced the film which has now enabled them to look back on Adams' stellar international career and also get a rare insight into his rehab and life since international Speedway.

"I never understood what he'd gone through and what driving a Sprintcar really meant to him," said Warrnambool Classic winner and established Aussie Sprintcar superstar Corey McCullagh. I have so much respect for Leigh and the Hickman family for what they did for Leigh. It's a fantastic movie."

The Adams and Hickman families have since become life-long friends.

A legacy of the time they shared and the emotion that bonded them during Leigh's life-changing drive.

The whole experience was neatly 'bow tied' off for both families with a special opportunity to drive the #40 car for the National Anthem parade lap at the Warrnambool Classic earlier last year.

"That was nerve wracking," Leigh smiles, "to idle around in Mildura is one thing but to idle around at Australia's

holy grail of Sprintcars Premier Speedway in front of 9,000 people is something else. I was pretty nervous to be honest. I felt all those nerves again from the first time I drove the car in Mildura. What an experience and what an opportunity."

Life for Leigh Adams these days has hardly slowed down much.

He likes to tinker in his shed but even that is hardly pedestrian.

Adams heads up the race prep and maintenance for the multi-bike STE Desert Racing Team where his daughter Casey's partner Callum Norton spearheads with Adams' great mate Jason Stewart at the ownership helm.

He also preps and maintains many MX, Desert racing and even occasionally Junior Speedway motorcycles (he built his own brand of chassis some time ago that are still on the market) – all from his 'man cave' shed in Irymple.

He loves a good coffee (with the occasional slice or cake), watching ALL forms of motorsport – he's obsessed with all forms of two, three and four wheel motor racing – and his beloved Carlton Blues.

Wife Kylie is the Adams Family Team Manager and has been for two plus decades, running the family home and a lot of Leigh's racing and travel commitments to this day.

Son Declyn is a respected and revered factory Motocross and Desert Racing mechanic in Australia and rode for a time in Speedway before deciding the other side of the handlebars (mechanic-wise) was suited to him.

Daughter Casey works for an accounting firm in Mildura and supports her partner Callum Norton.

She's also a pretty handy singer if you can ever cajole her into a rendition for you.

Life may have changed course, but in many ways it hasn't slowed down much for Leigh and the Adams family.

He's humble and uncomfortable with the adulation that comes with a rider of his international stature.

Gifted with a wicked sense of humour, a mind like a steel trap, a methodical mechanical approach with a penchant for cleaning everything thoroughly (his son Dec has inherited that as well in spades) Leigh is a luminary in the sport of Speedway over a decade since he retired as a rider.

His fans, and certainly his friends know that he's one of the immortals of Australian Motorsport.

His wife Kylie just wishes he'd pick up the tea towel occasionally...

GUIDELINES FOR EXHIBITORS TO PREVENT SPREAD OF JOHNE'S DISEASE.

Make sure your livestock carrier understands the risk of spread of Johne's disease and does not put your animals at risk during transport to and from Wentworth Show.

- Clean vehicle out
- Load and unload to prevent your stock coming in contact with contaminated faeces, food and water.

- Floor of sheds and stalls housing assessed animals will be inspected and cleaned, washed or covered, if necessary, before assessed animals enter the facility.
- Animals will be fed and watered above ground level, to prevent faeces (dung) contaminating their food and water.
- Faecal material will be collected regularly and removed to a place where stock has no access. This is particularly important in laneways.
- Special attention should be paid when cleaning out pens so that animals do not have access to areas, fixtures and bedding that are contaminated by other flocks or herds.
- Equipment used for mucking out will be cleaned regularly to prevent build-up of faeces.
- Sick animals will be isolated if Johne's disease or other infectious disease is considered a possibility.
- All animals need to be adequately supervised to maintain separation.
- Animals are to be restricted to their designated areas by tethering or some other means of restraint, or penning, when not being led.

PIGEONS

Re: Rotavirus pigeon disease

Exhibitors of pigeons may be aware that a highly infectious disease caused by a rotavirus has been detected in pigeons in several Australian states. In order to protect the flocks of our valued pigeon exhibitors the Wentworth Show Society Inc will require a declaration re the status of the exhibitors loft with respect to pigeon Rotavirus. This declaration must be forwarded to the Chief Steward at least 2 weeks prior to arrival at the show.

For more information:

<http://www.dpi.nsw.gov.au/animals-and-livestock/poultry-and-birds/health-disease/rotavirus-pigeon-disease>

On 1 July 2017 the NSW Biosecurity Act 2015 ('the Act') and its subordinate legislation commenced.

To provide a framework for the responsibility for biosecurity risk management to be shared among the community, industry and government, the Act establishes a number of 'biosecurity duties'. These are:

- a general biosecurity duty,
- duties relating to prohibited matter, and
- a duty to notify biosecurity events.

The general biosecurity duty can be found in Part 3 of the Act. Specifically, section 22 of the Act provides:

Any person who deals with biosecurity matter or a carrier and who knows, or ought reasonably to know, the biosecurity risk posed or likely to be posed by the biosecurity matter, carrier or dealing has a biosecurity duty to ensure that, so far as is reasonably practicable, the biosecurity risk is prevented, eliminated or minimised.

An example of a breach of the general biosecurity duty for pigeon owners would be to knowingly move pigeons or their products (e.g. faeces) infected with rotavirus.

A person who fails to discharge the person's duty under the Act is guilty of an offence. Intentional or reckless failure to discharge this duty (Category 1 offence) carries a maximum penalty of:

(a) in the case of an individual—\$1,100,000 or imprisonment for 3 years, or both, and, in the case of a continuing offence, a further penalty of \$137,500 for each day the offence continues, or

(b) in the case of a corporation—\$2,200,000 and, in the case of a continuing offence, a further penalty of \$275,000 for each day the offence continues.

The terms 'biosecurity matter', 'carrier', 'biosecurity risk' and other important terms are defined in Division 2 of Part 2 of the Act and an explanation is provided in Key terms and definitions.

If you have any questions or would like further information about the Act please email biosecuritylegislation@dpi.nsw.gov.au or subscribe to the Biosecurity Act 2015 Newsletter.

For any further information please direct questions to Chief Steward of the relevant section or to:

Supporting communities we work in

EnergyConnect

Transgrid is proud to be a sponsor of the 2023 Wentworth Show.

Transgrid continues to work closely with landowners and the local community as it delivers EnergyConnect, one of the nation's largest electricity infrastructure projects.

Construction work is well underway on the Western Section of EnergyConnect, with new transmission towers spanning across Wentworth Shire from Buronga to both the South Australian and Victorian borders.

The expansion of Transgrid's Buronga substation will see it become one of the largest and most complex electrical substations in the Southern Hemisphere.

EnergyConnect will eventually stretch some 900km from Wagga Wagga in NSW to Robertstown in SA, with a connection to Red Cliffs in Victoria.

In addition to delivering the infrastructure required to support Australia's transition to a clean energy future, EnergyConnect is providing a range of benefits to the local economy and community.

Lower bills	New jobs & opportunities	Economic growth	A cleaner future
NSW households will save \$180 million a year on power bills.	EnergyConnect will create 1,500 jobs and new opportunities for a wide range of businesses.	The project will generate \$4 billion in economic benefit – much of it in regional NSW.	EnergyConnect will help connect more solar and wind generation to reduce carbon emissions.

Rotavirus pigeon disease

Exhibitors of pigeons may be aware that a highly infectious disease caused by a rotavirus has been detected in pigeons in several Australian states. This declaration must be forwarded to the Chief Steward at least 2 weeks prior to arrival at the show.

The decision of the Senior Steward is final, regarding the health and/or condition of any bird being exhibited. He may refuse admission to, or have removed from the Pavilion, any bird whose condition, in his opinion, could be detrimental to any other Exhibit.

Young Birds must be rung with the correct ring to be eligible for Young Bird Sections. Any Bird wearing coloured or identifying band other than a Cyper band, or more than one ring or privately marked will be disqualified.

Exhibit must be Exhibitor's property and Exhibitor's name and address must be placed on the nomination form.

The committee reserves the right to restrict entries if staging facilities are insufficient to meet the demand.

In any other colour or any other variety classes, exhibitors must state colour and breed on nomination form. If committee considers sufficient nominations, extra classes will be provided.

If insufficient entries are received in classes of a Breed, the Committee reserves the right to combine any such classes of that Breed as it deems fit.

No person other than a judge or Steward shall, at any time after penning, touch, handle or remove any exhibit before closing time of Show, except with the consent of, and in the presence of, a Steward.

Please ensure that Birds are correctly entered in the correct section. If you are not sure, contact the Chief Steward or an experienced fancier. Exhibitors who wish to display "For Sale" notices on their exhibits must secure such notice from the Stewards.

Such notice to show pen number, ring number and price.

Should anything arise that no Rule or Provision existing, provides for, the Committee shall deal with the matter and its decision shall be final.

RECIPE FOR COOKERY SECTION

RICH FRUIT CAKE CLASS 3

INGREDIENTS

2 cups sultanas
1½ cups chopped seeded raisins
1 cups currants
½ cup chopped mixed peel
½ cup chopped red glazed cherries
½ cup chopped blanched almonds
½ cup sherry or brandy or rum
2 cups plain flour
¼ teaspoon grated nutmeg
½ teaspoon ground ginger
½ teaspoon ground cloves
¼ teaspoon salt
250g butter
1½ cups soft brown sugar
4 eggs
2 tablespoons marmalade
½ teaspoon almond essence
½ teaspoon vanilla essence
½ teaspoon lemon essence

METHOD

Mix together all the fruits and nuts and sprinkle with the sherry or brandy or rum, cover and leave for at least one hour but preferably overnight.

Sift together the flour, salt and spices. Cream together the butter and sugar with the essences and marmalade.

Add the eggs one at a time, beating well after each addition, then alternatively add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.

Place the mixture into a prepared tin no larger than 20cm and bake in a slow oven for approximately 2½ - 3 hours. Watch oven temperatures as some ovens vary.

Allow the cake to cool in the tin.

secureenergy

SecureEnergy is proud to be a sponsor of the Wentworth Show in 2023.

A heartfelt thankyou to all our communities and landholders that have been supporting us in the construction of EnergyConnect.

SecureEnergy is committed to giving back to the communities in which we work and it is a key priority for us. We have already invested more than \$18 million with local businesses and continue to find ways to give back to our local communities.

Construction is progressing well with early works complete, camps at Buronga (Arumpo Road) and Renmark Road operational and transmission towers currently being erected between Buronga and the SA border. SecureEnergy has also installed monopoles on the NSW to Victoria section at Red Cliffs to replace the existing transmission lines. The commencement of stringing of the transmission lines will occur in the next few months.

We look forward to catching up with as many members of the local community during the show.

HORSE CONDITIONS OF ENTRY

All competition at this show is governed by these regulations and by the Agricultural Societies Council of NSW Rules for Discipline in Horse Sections at Shows which can be viewed at www.agshowsnsw.org.au. Peak body rules apply to some disciplines as outlined on the schedule page for each discipline. Should it become necessary for the ASC Disciplinary Committee to open an inquiry into any aspect of competition in this Horse Section, this Society will support any penalty imposed by that Committee as a result of the inquiry and will support penalties resulting from enquiries arising from Horse Sections at other NSW shows.

INDEMNITY AND WAIVER FORMS: The Horse Committee will take all care in managing the Section, but competitors taking part in this Horse Section do so at their own risk. Each adult competitor must, before competing, complete and sign a form indemnifying Wentworth Show Society Inc and waiving any claims against the Society for any injury sustained in competition or for loss or damage to the competitor's property or damage caused by the competitor or his/her animal(s) at the Show. A similar form must also be completed and signed by a parent or guardian for each competitor who is under 18 years of age and any other individual expected to interact with horses during the show. ALSO, all competitors must complete a Horse Health Declaration, each horse with which the competitor has brought onto the Showgrounds must be listed together with the Property Identification Code (PIC) of the property from which the horse came to the Show.

1. All those entering the arena at Wentworth Show are required to obtain a wrist band from the Horse Shed prior to entering the arena regardless of age or intended activity as evidence of completion of waiver forms. Any person not wearing a wrist band may be asked to leave the arena immediately and will forfeit all entries until such time as they have obtained a wrist band from the Horse Shed.
2. Accidents: Competitors are required to advise the Chief Steward and the Horse Shed of any falls or injuries and complete Incident Form immediately after the incident.
3. Under Saddle Age Limit: The ASC recommends a lower age limit of 3 years of age (as at the date of the competition) for leading rein and 5 years of age for independent riding.
4. Entry: Must be completed online at <http://showday.online/> at a cost of \$4.00 per class unless otherwise stated in this schedule.
5. Late Entries: Are triple the cost of the entry fee and will be accepted at the discretion of the Chief Steward only at the Horse Shed.
6. Scratching: Competitors are required to advise the Ring Steward or the Horse Shed that they are withdrawing from a class as soon as practicable. In the event of a scratching, entries fees will be forfeited and are unable to be transferred to another class or competitor.
7. There will be no entry fees refunded after the closing date unless a medical or veterinary certificate is produced within 24 hours of completion of event.
8. Competitors must advise the Horse Shed of any changes to their entries. Failure to do so will result in an invoice being issued, which must be paid before prize money will be distributed.
9. Refusal of Entry/Alteration of Schedule/Prizes: The committee reserves the right to refuse an entry without assigning any reason for doing so and to alter the schedule to meet emerging circumstances. The Society is not responsible for the non-delivery of Sponsor's trophies/prizes. Should there be any reason to suspect that any exhibit is either diseased or dangerous, the Society reserves the right to isolate, refuse entry to and/or remove the exhibit from the ground at the expense of the exhibitor.
10. Prizes: The committee reserves the right to decline to pay prize money on classes with less than four competitors.

11. Judge's Decision/Discretion: The judge is empowered to withhold any or all prizes in any class where the exhibits are, in his/her opinion, unworthy of the prize, and at all times the judge's decision will be final. A judge has the discretion to ask that a led or performance exhibit and handler / rider / driver be ordered to leave the ring if he/she considers the animal is unruly and/or likely to cause an accident.
12. Approaching Judges: No exhibitor or associate will initiate conversation with a judge on judging day, before, during or after judging except through the Chief Steward.
13. The Judges decision is final. Please follow the protest protocol outlined below.
14. District/Local Classes: Horses and/or riders must have been resident for at least three months prior to the show within an 80-kilometre radius of the Showground.
15. Novice Class Eligibility: A Novice has not won a First Place at any Show in a similar class.
16. Intermediate: An Intermediate rider has not won a first, second or third prize at any Royal Show.
17. Ridden Show Hunters and Ridden Show Hacks: At the beginning of each calendar year an exhibitor MUST choose the category for their exhibit, EITHER Show Hunter or Show Hack, when competing at an Ag Shows NSW Affiliated Agricultural Show or supplementary event.
18. Ridden Show Hunters: Hack, Galloway, Pony: Horses in Show Hunter classes may not also compete in Ridden Show Hack classes.

They must be supervised at all times and securely fastened when tied to the outside of a truck or float. They are not eligible to compete in ridden classes unless their eligibility is specifically stated in the schedule.
21. Ponies with Adult Riders: Ponies may be ridden by adults unless otherwise stated in the schedule.
22. Lateness to the Ring: Competitors must be ready when called. Once judging has commenced, a competing horse shall not be led, ridden or driven into or out of the judging ring without the permission of the judge and/or the Chief Steward.
23. Leaving The Ring: If a led horse should drag or escape its handler or a ridden or driven horse take control of or unseat its rider and leave the ring, it is usually disqualified from the class.

25. Breed Registration: Registration documents for horses in breed classes must be produced when required by a Steward. It is the competitor/owner's responsibility to ensure relevant memberships for their exhibits Breed society or registry is financial at time of competition.
26. Attire: Competitors must be appropriately attired for the competition in which they are competing.
27. Helmets: Every rider is encouraged to wear a safety helmet compliant with the current Equestrian Australia approve safety standards for helmets, some classes require helmets to be worn per their discipline rules. Riders under 18 years must wear such a helmet at all times when mounted or in the arena. Please visit www.equestrian.org.au for more information.

THE FRANK MCCANN MEMORIAL SUPREME LED EXHIBIT OF THE SHOW

Frank was a keen show horse competitor and was an avid supporter of the Wentworth Show for well over 60 years, rarely missing one. Frank's contribution to the Wentworth Show was not only as a competitor but he also judged at our pre-show in 2019. He had a great eye for a good horse and his horses were always turned out immaculately.

THE LEIGH LEWIS MEMORIAL SUPREME RIDDEN OPEN EXHIBIT OF THE SHOW

In 2008, Leigh first came to Wentworth Show as a strapper and supporter of her daughter, Teagan. Leigh fell in love with the Show, declaring it was her favourite Show on the circuit. She loved the country atmosphere, the camping, the wonderful prizes, the accommodating committee, the "best oval of the season", the Grand Slam event and being able to catch up with family. Even when they had no horses to compete Leigh attended the Show every year to watch the horses, help and cheer on the competitors and judged at the pre-show.

THE JO-ANNE ORCHARD MEMORIAL SUPREME RIDER OF THE SHOW

Jo-anne and her family moved to Mildura from Melbourne in 1988, bringing her Show horses with her. She competed at Wentworth Show almost every year from then on, winning Champion Rider/Hack at almost every show until her untimely death in 2000. Jo-anne was a beautiful rider that younger riders looked up to and admired.
