FROM THE PRESIDENT

It is my pleasure to welcome you to the 139th Wentworth Show. Our Show continues to thrive thanks to the dedication, passion, and community spirit that have carried it through more than a century of tradition.

My sincere thanks go to our hardworking committee, whose year round planning and commitment ensure the Show remains a highlight for our region. To our volunteers—those who return every year and those joining us for the first time—your willingness to lend a hand wherever needed is the heart of this event. We are equally grateful to our sponsors, whose generous support allows us to deliver a high quality Show that attracts competitors, exhibitors, and visitors from far and wide.

This year's Show brings together the attractions our community loves, along with exciting new features. The Pavilion once again showcases the creativity, skill, and passion of our exhibitors. Our horse events and showjumping continue to draw strong crowds, highlighting the talent of riders from across the district and beyond. We are also proud to introduce the new Birthing Barn, offering families a unique opportunity to learn about animal husbandry and witness the wonder of new life.

The Food & Wine Marquee returns with the flavours of our region, celebrating local producers and giving visitors a place to relax and enjoy the best of what Wentworth has to offer. The Animal Nursery remains a favourite for children and adults alike, providing hands on experiences that connect people with the animals that are so much a part of our rural identity.

Our competitions continue to bring fun, energy, and friendly rivalry to the Show. The Scarecrow Competition sparks creativity across all ages, while Whip Cracking and the Quick Shear showcase the skill, speed, and tradition that define our rural community.

To the people of Wentworth and our surrounding districts—thank you. Your enthusiasm, participation, and pride are what make this Show truly special. Whether you are competing, exhibiting, volunteering, or simply enjoying a day out with family and friends, you are part of the story that keeps the Wentworth Show strong after 139 years.

I hope you enjoy everything this year's Show has to offer as we celebrate our heritage, our people, and the vibrant community we are proud to call home.

Bec Marshall
2026 President

VINTAGE MACHINERY SOCIETY OF SUNRAYSIA

SPONSORED BY BULPUNGA ENTERPRISES PTY LTD AND SUNRAYSIA BEARINGS

The Vintage Machinery Society of Sunraysia was formed in the early 1980's by a group of people with similar interests in preserving and in some cases restoring old machinery. Over the years we have managed to acquire several large engines the first one being the National Engine which was used in the construction of the Wentworth Lock.

Club members started displaying parts of their collections at various local events which included the Wentworth Show. In the 1990's after several discussions with Alan Dawes (Site Manager of the Wentworth Show Society at that time) we were offered a location at the Wentworth Showgrounds to build a shed for our National Engine. From that first shed build we have added more bays as new engines were sourced.

Club members always enjoy the Wentworth Show running the engines in the shed or displaying machinery that they have restored and having a chat with visitors to the show.

WENTWORTH SHOWGROUNDS COMMUNITY PAVILION

The Wentworth Showgrounds Community Pavilion was opened on the 31st of January 2023 by the Deputy Premier, The Honourable Paul Toole MP, Minister for Regional NSW and Minister for Police.

RAS of NSW AGRICULTURAL SHOWS AWARD

RAS of NSW reinstated the awarding of medals to regional Show Societies a few years ago, giving us the opportunity to recognise a significant contribution that someone has made to our show.

Since commencing involvement with this important award the Wentworth Show, after much research, has presented the medal to Maureen Duncan, Ashton Cowling, Amber Baird, Sandy Heuzenroeder, Marcus Moore, Julie Douglas, Geoff Heuzenroeder and Michael Keenan. These people have all gone over and above as part of our show community, either instigating technology advancements or improving the smooth running of our show.

The recipient's name is withheld until presentation at the Show opening and to add our own touch the previous years winner presents the medal.

THE SOUTH AUSTRALIAN AXEMAN'S ASSOCIATION

Mike Fullgrabe and Doug Pike from the South Australian Axemen's Association will be providing a demonstration of Woodchopping and sawing at this year's Wentworth Show. This is a first for the Wentworth Show and they are looking forward to providing this Event which will demonstrate the sport of Woodchopping.

Mike is a third generation Axemen and a very experienced competitor. Doug has no previous family background in the sport but has been competing in Woodchopping competitions around Australia for the last 20 years or so.

There will be 3 demonstrations on Saturday and 1 on Sunday. A demonstration lasts between 15 to 20 minutes and will include Woodchopping, cross cut sawing and chainsaw.

The types of events that are being conducted are the Underhand, where the log is horizontal on the ground and the competitor stands on the log and swings between the legs. The other is the Standing Block, where the log is vertical and the competitor stands on the ground and swings up and down into the log (like cutting a tree down with an axe). In addition to that, there will be cross cut sawing and chainsawing. The cross cut saw is either single handed (one person sawing) or double handed sawing (2 people holding the saw at each end). The cross cut saw was used to cut timber to lengths before the chainsaw.

During the demonstration, information will be provided about the type of wood being used, where the axes come from, how the sport started, safety information, the cost of equipment and answering questions. All in all, you will be provided with information that might answer all the questions that you might have about the sport."

CONARGO WHIPCRACKERS

SPONSORED BY LAKE VICTORIA WIND FARM

Conargo Whipcrackers will be giving a demonstration of Australian whipcracking. The Australian stock whip is famous around the world, and the most popular style in Australia, they are universally acknowledged as the King of all whip types. It is also the fastest whip there is travelling at 1100 km/h, the sound you hear when the whip cracks is the whip breaking the sound barrier and the air rushing back in to fill the hole it has made.

Jesse who is 18 years of age along with her younger brother Beau who is 12 years of age. Beau and Jesse currently hold the New South Wales, Tasmanian and Victorian state titles, Beau is a 2x Australian champion and the current Australian Champion for the Juvenile division, Beau also currently is the Australian accuracy champion for all ages at just 12. Jesse has been the previous Australian champion for the Junior division.

CELEBRATING THE LIGHT HORSE

SPONSORED BY VERTEX AND NESA-NUEDGE SOLUTIONS

Mick Batchelor will be displaying some of his extensive collection of WWI and WWII Australian Light Horse uniforms, equipment and saddlery. Mick participates in regional ANZAC Day services on horseback.

He joined the Australian Light Horse in 2012 and took part in the Reserve Forces Day in Sydney from 2014-2018 as a mounted escort to the NSW Governor General.

Mick reserves the historic equipment for display only and uses authentic reproduction uniforms, military saddlery, bridles and lead rope for the working mounted and ceremonial displays.

In 2017, Mick took part in the Centenary of the Charge of the 4th Light Horse at Beersheba riding in a full WWI field kit at the Shrine of Remembrance, Sydney.

He uses stock horses to mimic the size and shape of the heavier, hardy horses used at the time to carry 130kg of soldier, saddlery, rifle, ammunition, water bottles and haversack.

FRANK FINGER

SPONSORED BY WENTWORTH SHOW SOCIETY AND SOUTHERN CROSS BUSINESS ADVISORS

Turning Pups into Muster Dogs

Frank Finger, winner of Series 1 of Muster Dogs, is coming to the Wentworth Show.

A third-generation cattle producer, Frank has spent decades training working dogs and has become widely known for his calm, low-pressure approach to dog training and stock handling.

Joining him will be Jonty Benney, who first approached Frank at the age of 13 to learn about training dogs. Now 19, Jonty is training to be a dog trainer and continues to work alongside his mentor.

Between them, they will bring four dogs to the show, including Annie, a four-month-old pup currently in training. Sadly, Annie from Series 1 has since passed away, and Lucy—the dog Frank was given at the end of Series 1—will not be making the trip from Central Queensland due to ongoing back problems.

Frank and Jonty will present a series of training demonstrations, including working with young Annie to showcase the early stages of developing a muster dog.

There will also be the opportunity to view footage from Frank's property, Hillview, near Clermont in Queensland, where he demonstrates his dog-training methods in action. His training schools have become highly sought after, with participants often gaining valuable insights into stock handling and livestock movement, as well as dog training.

The accompanying photo feature Frank with Annie and Lucy.

GUIDELINES FOR EXHIBITORS TO PREVENT SPREAD OF JOHNE'S DISEASE.

Make sure your livestock carrier understands the risk of spread of Johne's disease and does not put your animals at risk during transport to and from Wentworth Show.

- Clean vehicle out before load and after unload to prevent your stock coming in contact with contaminated faeces, food and water.
- Floor of sheds and stalls housing assessed animals will be inspected and cleaned, washed or covered, if necessary, before assessed animals enter the facility.
- Animals will be fed and watered above ground level, to prevent faeces (dung) contaminating their food and water.
- Faecal material will be collected regularly and removed to a place where stock has no access. This is particularly important in laneways.
- Special attention should be paid when cleaning out pens so that animals do not have access to areas, fixtures and bedding that are contaminated by other flocks or herds.
- Equipment used for mucking out will be cleaned regularly to prevent build-up of faeces.

- Sick animals will be isolated if Johne's disease or other infectious disease is considered a possibility.
- All animals need to be adequately supervised to maintain separation.
- Animals are to be restricted to their designated areas by tethering or some other means of restraint, or penning, when not being led.

PIGS

Owners/exhibitors of Pigs must provide a PigPass NVD to the show organiser. The show organiser will complete a transfer on the PigPass database. Wentworth show will provide the owner with a PigPass NVD for the movement post show, back to the same PIC unless otherwise arranged with the show organiser.

It is the responsibility of the person receiving the pigs to record the movement in the PigPass database within 2 days. To do this you will need to register with PigPass. Pig movement data will be transferred immediately into the NLIS database.

PIGEONS

Re: Rotavirus pigeon disease

Exhibitors of pigeons may be aware that a highly infectious disease caused by a rotavirus has been detected in pigeons in several Australian states. In order to protect the flocks of our valued pigeon exhibitors the Wentworth Show Society Inc will require a declaration re the status of the exhibitors loft with respect to pigeon Rotavirus. This declaration must be forwarded to the Chief Steward at least 2 weeks prior to arrival at the show.

For more information:

<https://www.dpi.nsw.gov.au/animals-and-livestock/poultry-and-birds/health-disease/pigeon-rotavirus>

On 1 July 2017 the NSW Biosecurity Act 2015 ('the Act') and its subordinate legislation commenced.

To provide a framework for the responsibility for biosecurity risk management to be shared among the community, industry and government, the Act establishes a number of 'biosecurity duties'. These are:

- a general biosecurity duty,
- duties relating to prohibited matter, and
- a duty to notify biosecurity events.

The general biosecurity duty can be found in Part 3 of the Act. Specifically, section 22 of the Act provides:

Any person who deals with biosecurity matter or a carrier and who knows, or ought reasonably to know, the biosecurity risk posed or likely to be posed by the biosecurity matter, carrier or dealing has a biosecurity duty to ensure that, so far as is reasonably practicable, the biosecurity risk is prevented, eliminated or minimised.

An example of a breach of the general biosecurity duty for pigeon owners would be to knowingly move pigeons or their products (e.g. faeces) infected with rotavirus.

A person who fails to discharge the person's duty under the Act is guilty of an offence. Intentional or reckless failure to discharge this duty (Category 1 offence) carries a maximum penalty of:

- (a) in the case of an individual—\$1,100,000 or imprisonment for 3 years, or both, and, in the case of a continuing offence, a further penalty of \$137,500 for each day the offence continues, or
- (b) in the case of a corporation—\$2,200,000 and, in the case of a continuing offence, a further penalty of \$275,000 for each day the offence continues.

The terms 'biosecurity matter', 'carrier', 'biosecurity risk' and other important terms are defined in Division 2 of Part 2 of the Act and an explanation is provided in Key terms and definitions.

If you have any questions or would like further information about the Act please email biosecuritylegislation@dpi.nsw.gov.au or subscribe to the Biosecurity Act 2015 Newsletter.

For any further information please direct questions to Chief Steward of the relevant section or to:

Rotavirus pigeon disease

Exhibitors of pigeons may be aware that a highly infectious disease caused by a rotavirus has been detected in pigeons in several Australian states. In order to protect the flocks of our valued pigeon exhibitors the Wentworth Show Society Inc will require a declaration re the status of the exhibitors loft with respect to pigeon Rotavirus. This declaration must be forwarded to the Chief Steward at least 2 weeks prior to arrival at the show.

The decision of the Senior Steward is final, regarding the health and/or condition of any bird being exhibited. He may refuse admission to, or have removed from the Pavilion, any bird whose condition, in his opinion, could be detrimental to any other Exhibit.

Young Birds must be rung with the correct ring to be eligible for Young Bird Sections. Any Bird wearing coloured or identifying band other than a Cyper band, or more than one ring or privately marked will be disqualified.

Exhibit must be Exhibitor's property and Exhibitor's name and address must be placed on the nomination form.

The committee reserves the right to restrict entries if staging facilities are insufficient to meet the demand.

If insufficient entries are received in classes of a Breed, the Committee reserves the right to combine any such classes of that Breed as it deems fit.

No person other than a judge or Steward shall, at any time after penning, touch, handle or remove any exhibit before closing time of Show, except with the consent of, and in the presence of, a Steward.

Please ensure that Birds are correctly entered in the correct section. If you are not sure, contact the Chief Steward or an experienced fancier. Exhibitors who wish to display "For Sale" notices on their exhibits must secure such notice from the Stewards.

Such notice to show pen number, ring number and price.

Should anything arise that no Rule or Provision existing, provides for, the Committee shall deal with the matter and its decision shall be final.

Connected to country pride, committed to Wentworth

Many people across Wentworth Shire have lived alongside EnergyConnect for years, and we appreciate the time, questions and conversations that have helped shape the project.

EnergyConnect is now nearing completion, with sections of the line beginning to carry electricity and the full connection from Wagga Wagga to the South Australian border expected by August.

Wentworth Shire sits at the heart of the project. As construction winds down, Transgrid's commitment to the region continues, with our team remaining here for the long term.

Come and say hello to the Community team at our stall, or contact us on 1800 222 537, community@transgrid.com.au or visit transgrid.com.au.

RECIPE FOR COOKERY SECTION

RICH FRUIT CAKE

CLASS 12003

INGREDIENTS

- 2 cups sultanas
- 1½ cups chopped seeded raisins
- 1 cup currants
- ½ cup chopped mixed peel
- ½ cup chopped red glazed cherries
- ½ cup chopped blanched almonds
- ½ cup sherry or brandy or rum
- 2 cups plain flour
- ¼ teaspoon grated nutmeg
- ½ teaspoon ground ginger
- ½ teaspoon ground cloves
- ¼ teaspoon salt
- 250g butter
- 1½ cups soft brown sugar
- 4 eggs
- 2 tablespoons marmalade
- ½ teaspoon almond essence
- ½ teaspoon vanilla essence
- ½ teaspoon lemon essence

METHOD

Mix together all the fruits and nuts and sprinkle with the sherry or brandy or rum, cover and leave for at least one hour but preferably overnight.

Sift together the flour, salt and spices. Cream together the butter and sugar with the essences and marmalade.

Add the eggs one at a time, beating well after each addition, then alternatively add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.

Place the mixture into a prepared tin no larger than 20cm and bake in a slow oven for approximately 2 1/2 - 3 hours. Watch oven temperatures as some ovens vary.

Allow the cake to cool in the tin.

NOTE

To ensure uniformity and depending on the size, it is suggested the raisins be snipped into 2 or 3 pieces, cherries 4 to 6 pieces and almonds crosswise into 3 or 4 pieces.

The Lil Scadding Perpetual Memorial Trophy

Pictured below is Lil Scadding, after whom the Prestigious perpetual Memorial Pavilion Trophy, The Lil Scadding Trophy is named.

Did you know that when the family first donated the Trophy in 1985 that there were many more sections to be contested for points, including wool, sheep, cattle, goats and poultry?

Lil Scadding was actively involved in the Wentworth Show Society from Post Second World War until her death in 1985. She was a committee member from 1969 and the first female president of the Show Society in 1977-78.

Hilda Moylan was one of the first regular winners of the trophy

Since 1990 Cheryl Vines, (pictured below with Tony Douglas in 2002 and with Dianne Pollard above in 2024), has been consistently entering the pavilion competitions. Cheryl has won the Lil Scadding trophy continuously for the past 26 years, except for the two Covid-19 years that the show wasn't held.

The original sponsorship came from Mildura Wines and then the Wentworth Show Society and was awarded to one competitor only, initially. Recently second and third prizes were added to increase competition. Thanks to the generous sponsorship of Maloney Anderson Legal, the prize money has increased substantially this year.

HORSE CONDITIONS OF ENTRY

All competition at this show is governed by these regulations and by the Agricultural Societies Council of NSW (Ag Shows NSW) Rules for Discipline in Horse Sections at Shows which can be viewed at www.agshowsnsw.org.au. Peak body rules apply to some disciplines as outlined on the schedule page for each discipline. Should it become necessary for the Ag Shows NSW Disciplinary Committee to open an inquiry into any aspect of competition in this Horse Section, Wentworth Show Society Inc. ("the Society") will support any penalty imposed by that Committee as a result of the inquiry and will support penalties resulting from enquiries arising from horse sections at other NSW shows.

INDEMNITY AND WAIVER FORMS: The Horse Committee will take all care in managing the Section, but competitors taking part in this horse section do so at their own risk. Each adult competitor must, before competing, complete and sign a form indemnifying Wentworth Show Society Inc and waiving any claims against Wentworth Show Society Inc for any injury sustained in competition or for loss or damage to the competitor's property or damage caused by the competitor or his/her animal(s) at the Show. A similar form must also be completed and signed by a parent or guardian for each competitor who is under 18 years of age and any other individual expected to interact with horses during the show.

All competitors must complete a Horse Health Declaration, and each horse with which the competitor has bought onto the Showgrounds must be listed together with the Property Identification Code (PIC) of the property from which the horse came to the Show.

- All those expecting to interact with horses at Wentworth Show are required to obtain a wrist band from the Horse Shed upon arrival at the Showgrounds and prior to entering the horse area as evidence of completion of waiver forms. Any person not wearing a wrist band may be asked to leave the arena immediately and will forfeit all entries without refund until such time as they have obtained a wrist band from the Horse Shed.
- Competitors are required to advise the Chief Steward and the Horse Shed of any falls or injuries and submitted with entries. Entries submitted without proof of current financial memberships and registration with an appropriate association may be declined Form immediately after the incident.
- Under Saddle Age Limit:** Ag Shows NSW recommends a lower age limit of 3 years of age (as at the date of the competition) for leading rein and 5 years of age for independent riding.
- Entries must be completed online at <http://showday.online/> at the costs specified throughout this schedule by the due date.
- No late entries will be accepted.
- Competitors are asked to advise the Ring Steward or the Horse Shed that they are withdrawing from a class as soon as practicable. In the event of a scratching on the day, entries fees will be forfeited and are unable to be transferred to another class or competitor.
- There will be no entry fees refunded after the closing date unless a medical or veterinary certificate is produced within 24 hours of completion of event.
- Should there be any reason to suspect that any exhibit is either diseased or dangerous, the Society reserves the right to isolate, refuse entry to and/ or remove the exhibit from the ground at the expense of the exhibitor.
- Changes to entries must be discussed with the Chief Steward before entries close to confirm changes are received and correctly listed before the day of competition.
- The Society reserves the right to refuse an entry without assigning any reason for doing so.
- The Society reserves the right to alter the schedule to meet emerging circumstances.
- The Society is not responsible for the non-delivery of Sponsor's trophies & prizes.
- The Society reserves the right to decline to pay prize money on classes with less than four competitors.
- The judge is empowered to withhold any or all prizes in any class where the exhibits are, in his/her opinion, unworthy of the prize, and at all times the judge's decision will be final. A judge has the discretion to ask that a led or performance exhibit and handler / rider / driver be ordered to leave the ring if he/she considers the animal is unruly and/or likely to cause an accident.
- No exhibitor or associate will initiate conversation with a judge on judging day, before, during or after judging except through the Chief Steward.
- The Judges decision is final.
- A protest or complaint against any exhibit or exhibitor may be lodged in writing with the Chief Steward no later than sixty minutes after the judging of the exhibit or exhibitor. The Chief Steward must be provided with the exact nature of the complaint and act, if necessary, to maintain competitive fairness. The Chief Steward may choose to refer the matter to the Protests Committee, which shall comprise the President of the Society, or a Vice President and two other members of the General Committee. A protest or complaint or an appeal against the decision of the Chief Steward may be lodged in writing with the Secretary no later than 6 pm on the day of judging. Such protest, complaint or appeal shall be accompanied by a deposit of \$50 which shall be forfeited if the protest, complaint, or appeal proves to be frivolous or vexatious. A matter lodged this way shall be dealt with by the Protests Committee within 24 hours of lodgment and the decision of the Protest Committee shall be final. THE FRANK MCCANN MEMORIAL SUPREME LED EXHIBIT OF THE SHOW

Frank was a keen show horse competitor and was an avid supporter of the Wentworth Show for well over 60 years, rarely missing one. Frank's contribution to the Wentworth Show was not only as a competitor but he also judged at our pre-show in 2019. He had a great eye for a good horse and his horses were always turned out immaculately.

THE LEIGH LEWIS MEMORIAL SUPREME RIDDEN OPEN EXHIBIT OF THE SHOW

In 2008, Leigh first came to Wentworth Show as a strapper and supporter of her daughter, Teagan. Leigh fell in love with the Show, declaring it was her favourite Show on the circuit. She loved the country atmosphere, the camping, the wonderful prizes, the accommodating committee, the "best oval of the season", the Grand Slam event and being able to catch up with family. Even when they had no horses to compete Leigh attended the Show every year to watch the horses, help and cheer on the competitors and judged at the pre-show.

THE JO-ANNE ORCHARD MEMORIAL SUPREME RIDER OF THE SHOW

Jo-anne and her family moved to Mildura from Melbourne in 1988, bringing her Show horses with her. She competed at Wentworth Show almost every year from then on, winning Champion Rider/Hack at almost every show until her untimely death in 2000. Jo-anne was a beautiful rider that younger riders looked up to and admired.
